Faster, smarter, and easier floorcare

A compact, highly maneuverable scrubber that combines intuitive operation, exemplary performance, and leading resource-efficient technologies into a single package, the SC5000 allows operators to clean in spaces both large and small without disrupting business.
Its easy controls, adaptability, and robust, durable construction make it ideal for floorcare applications in environments ranging from warehouses and grocery stores to light- or heavy-industrial environments.

- Best-in-class turning radius in a profile narrow enough for any corner or aisle
- SmartFlowTM adjusts detergent and water pressure according to speed
- Sealed cylindrical brush protects moving parts for up to 4x greater lifespan
- SmartKey and SupervisorKey settings for user- and environment-specific performance customization
- Maximum operator safety and productivity with clear sightlines and full functionality control via steering wheel
