Quiet and easy cleaning helps you achieve maximum productivity

This battery powered, truly versatile sweeper can go anywhere and be used for cleaning everything from retail areas to gas stations. With the carpet kit, it can even clean soft floors.
What's more, it comes with an onboard charger as standard to ensure you save time. Moreover, it cleans so silently that it can be used even in the most noise sensitive areas. At just 59dbA, the SW750 sweeper is suitable for daytime cleaning without risk of causing disturbance. In fact, the entire design is so efficient, and so cleverly thought-out, that productivity is assured even with an inexperienced operator, while operating costs are minimized.
With SW750 you get quality features and better reliability.

- Theoretic productivity of 2.880 m2 per hour
- Very low noise level allows sweeping in noise sensitive areas
- Standard delivered with battery and onboard charger.
- Provides up to 2 hours run time on hard floors (approximately 6.000 m2).
- Optional battery increases running time to 3.5 hours
- Main and side brooms are adjustable
- Can be used both in and outdoors, washable polyester filter and filter shaker is standard
